ENHANCE PUBLIC IMAGE & AWARENESS

- > Unify image and brand awareness
- > Publicize action-oriented service
- > Promote core values
- > Emphasize vocational service
- > Encourage clubs to promote their networking opportunities and signature activities

Through **fellowship**, we build lifelong relationships that promote greater global understanding. With **integrity**, we honor our commitments and uphold ethical standards. Our **diversity** enables us to connect different perspectives and approach problems from many angles. We apply our **vocational expertise, service, and leadership** to tackle some of the world's greatest challenges.

WHY CREATE A PUBLIC IMAGE CITATION?

Rotary and Rotaract clubs throughout Zone 34 are already doing a great job in creating a positive Public Image in their communities. The Public Image Citation serves the purpose of recognizing these clubs for their efforts. At the same time, it will encourage clubs which have not yet developed a Public Image plan, to do so.

"Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."
